Young Ho Lee Prayer Letter December 2024

Greetings from Korea,

We are in the midst of a week long holiday for millions of the Korean people. They do not just visit the grave, but they worship the spirit of ancestors and bow down before the graves. The Bible says, our God is a jealous God and that we should not follow the traditions and customs of this world.

Last month, God blessed with three ladies baptized, and we had the Lord's supper. Praise the Lord!

I am recovering better. It's slow, but God is with me. I want to say a special thanks to you for your support and prayers,
